FOR IT SOLUTIONS

www.cloudtech-eg.net

Mohamed Horeiz

He is the owner and the founder of this company.

About Us :

Cloud technology is an IT service provider and system integrator who had been founded in Egypt since 2015 .

We are working with our customers to help them plan, build, support, and manage their IT infrastructure.

With a list of world-class vendors, we help you to choose the best fit technologies that can increase your productivity.
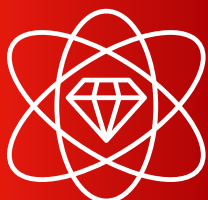

Mission :

We provide our customers with world's top IT Solutions through cooperation with technology leaders we invest in our employees to deliver best customer service experience through our innovative solutions and superior service we offer opportunities for growth and enrichment to our business partners.

Vision :

Providing IT Solutions to empower organizations to grow fast and safe.

Core Values :

-Be Honest .
-Work Smart .
-Value Teamwork .

-Share Knowledge .
-Act Like Owner .

Why US :

You will be offered a continuous consultancy regarding your company's needs.

Our highly trained engineers will search, find and suggest the best solution for your organization. For any software or hardware requirement, we can handle the negotiation, and we will find and recommend the best tailored solution.

We can even liaise on your behalf so as to ensure that your company will get the best out of any IT deal.

Reduce your computer support costs and stress with our managed IT plans.

You will have all the support you need taken care of without having full-time engineers on the payroll, and reliable.
